

My Fellow Elks,

I hope everyone is well and having a great year.

Time is flying by and we must now get ready for the Fall Workshop for 2023.

This year the FW will be at the Isleta Casino and Resort as previously stated at the Spring Convention. The Dates are 23rd and 24th of September with availability to arrive on the 22nd.

There is a registration fee associated with this Fall Workshop. It is \$20 and you can register on the website and the form will immediately go to the State Secretary. You can also pay the fee with PayPal. The State Secretary will have the registration table open starting Saturday morning. You can utilize the online form from the NMEELKS.COM website in which PayPal is automatic, or you can search PayPal by using the nmeasecretary@gmail.com email address, or search New Mexico Elks Association.

Room rates are \$149 for King and Queen rooms and \$169 for the Junior Suites. The code to lock in these rates is ELK0923. The phone numbers are 505-848-1999 or 50-724-3800.

We will be having one hospitality room for the State on Saturday night in the Ballroom with entertainment hosted by President Housley.

There will be two portable bars set up by Isleta Casino and Resort and we will not be allowing anyone to bring in their own alcohol to the hospitality room downstairs. Now, saying that, what you do in your own sleeping rooms is up to you, but as far as an official hospitality room there is only one for the whole state.

Saturday will be President Housley's Fall Workshop and Sunday will be the DD Clinic.

Any questions or comments, feel free to contact me, cjhill3@msn.com.

Johnny Hilliard, PSP, Chair
NMEA Convention Committee
